

Strong light, wiring free,
zero electric charge.

● Detailed description

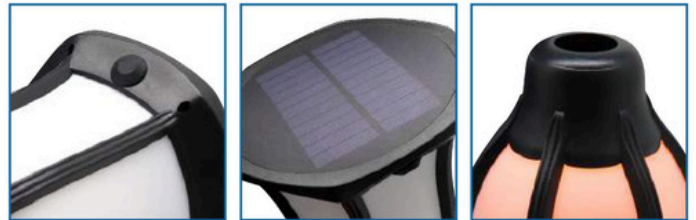

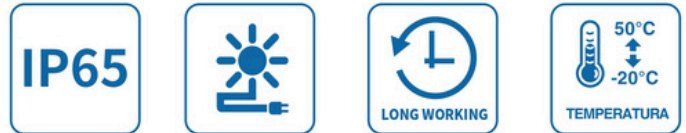

- Flexible performance: light-operated + Human induction
- Intelligent: In daylight will automatic turn off. In dark night, when nobody will with weak light, when someone approaching will with strong light, wiring free, zero electric charge
- Use Road photoelectric PC Lens Design, meet pavement irradiation requirements

CCT: 3000/4000/6500K

 Model number	 Power	 Size(mm)	 Battery type	 Waterproof	 Luminous flux	 Solar panel power	 Installation Height	 Warranty
KEOU-LD001-20W	20W	395x205x55	3.2V /8000mAH	IP66	400lm	8W/6V	3-4m	3 Years

RED, GREEN AND BLUE LIGHTING ACCENTS.

• Detailed description

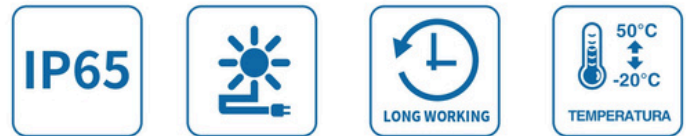

- Solar charging, no need to pay electricity bills, saving cost.
- Wireless, Easy installation, saving time.
- Long lifespan, energy-saving, environmentally friendly. IP65 waterproof level, easy to deal with all kinds of weather.

Color: Yellow / Blue / Green / Purple

Model number	KEOU-TL0001-96	Waterproof	IP65	LED QTY	96
Size(mm)	650x140x140mm	Battery type	3.7V/1200mAH	Warranty	1 Years
Material	ABS+PC	Luminous flux	301lm	Solar panel power	0.88W/5.5V

RED, GREEN AND BLUE LIGHTING ACCENTS

• Detailed description

- Solar charging, no need to pay electricity bills, saving cost.
- Wireless, Easy installation, saving time.
- Long lifespan, energy-saving, environmentally friendly. IP65 waterproof level, easy to deal with all kinds of weather.

Color: Yellow / Blue / Green / Purple

Model number	KEOU-TL0003-96	Waterproof	IP65	LED QTY	96
Size(mm)	780x97x97mm	Battery type	3.7V/1200mAH	Warranty	1 Years
Material	ABS+PC	Luminous flux	301lm	Solar panel power	0.88W/5.5V

SOLAR ENERGY FLAME EFFECT LIGHT

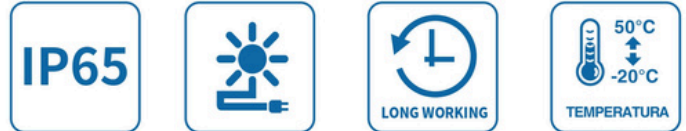

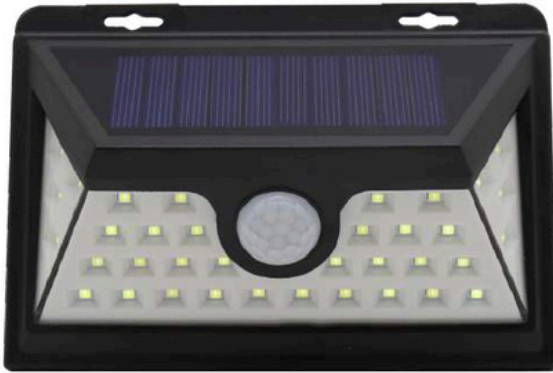

• Detailed description

- Solar charging, no need to pay electricity bills, saving cost.
- Wireless, Easy installation, saving time.
- Long lifespan, energy-saving, environmentally friendly. IP65 waterproof level, easy to deal with all kinds of weather.

Color: Yellow / Blue / Green / Purple

 Model number	KEOU-TL0002-96	 Waterproof	IP65	 LED QTY	96
 Size(mm)	780x97x97mm	 Battery type	3.7V/1200mAH	 Warranty	1 Years
 Material	ABS+PC	 Luminous flux	301lm	 Solar panel power	0.88W/5.5V

ZERO ELECTRIC CHARGE FOR WHOLE YEAR

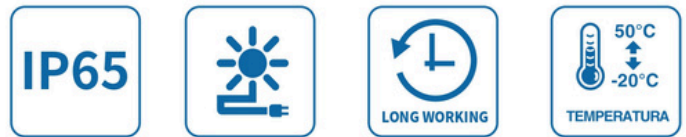

● Detailed description

- In daytime automatic turn to charging mode, in dark night automatic light up, zero electric charge.
- Zero electric charge for whole year.
- IP65 protection grade, waterproof, moisture-proof, anti-corrosion
- Three sides lighting, shift switch is in front, easy to adjust with indicator light.

SOLAR ENERGY FLAME EFFECT LIGHT

• Detailed description

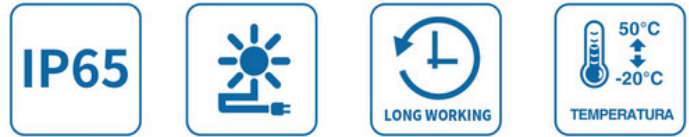

- In daytime automatic turn to charging mode, in dark night automatic light up,
- Zero electric charge for whole year.
- IP65 protection grade, waterproof, moisture-proof, anti-corrosion
- Flexible performance: light-operated + Human induction, when people approaching turn to bright light, when people leave turn to slight light.

CCT:3000K / 6500K

Model number	KEOU-BD0003-166	Waterproof	IP65	LED QTY	166
Size(mm)	150X260X90mm	Battery type	3.7V/3600mAH	Warranty	1 Years
Material	ABS+PC	Luminous flux	480lm	Solar panel power	1.98W/5.5V

LIGHT-OPERATED HUMAN INDUCTION

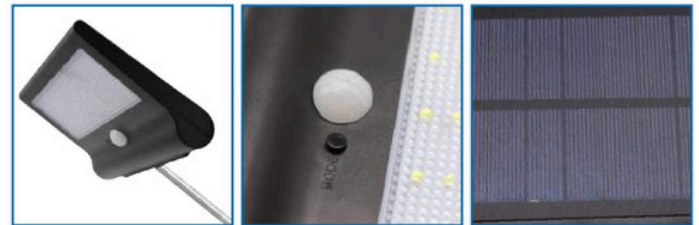

• Detailed description

- In daytime automatic turn to charging mode, in dark night automatic light up,
- Zero electric charge for whole year.
- IP65 protection grade, waterproof, moisture-proof, anti-corrosion
- Flexible performance: light-operated + Human induction, when people approaching turn to bright light, when people leave turn to slight light.

CCT:3000K / 6500K

Model number	KEOU-BD0005-2.5W	Waterproof	IP65	LED QTY	32
Size(mm)	110x34x190mm	Battery type	3.7V/1800mAH	Warranty	1 Years
Material	ABS+PC	Luminous flux	300lm	Solar panel power	1W/5.5V

ZERO ELECTRIC CHARGE FOR WHOLE YEAR

• Detailed description

- In daytime automatic turn to charging mode, in dark night automatic light up,
- Zero electric charge for whole year.
- IP65 protection grade, waterproof, moisture-proof, anti-corrosion
- Flexible performance: light-operated + Human induction, when people approaching turn to bright light, when people leave turn to slight light.

CCT:3000K / 6500K
